## Market Leaders turning fresh eyes to the Cook Islands

### Portcullis TrustNet (Cook Islands) Limited – A Proven Trust and Corporate Services Provider

#### Why use the Cook Islands.

Since 2004 legislative reform has led to the Cook Islands being acknowledged by OECD and other international bodies as one of the most progressive jurisdictions for offshore financial business. The Cook Islands financial industry is backed by a robust regulatory regime evidenced by the strong rating achieved at its last OECD review. Market leaders are now realising that the Cook Islands offers them a comprehensive package of financial services backed by highly skilled and experienced personnel.

- Providing sound financial services for over 3 decades
- Well-regulated jurisdiction as confirmed by the 2009 APG Mutual Evaluation
- Effective legislation providing for a range of financial products
- World leader in formation of asset protection trusts
- Online registry based on the New Zealand company registry system.

#### Why Portcullis in the Cook Islands.

Since 1987 Portcullis TrustNet (Cook Islands) Limited has provided discerning clients with qualified and professional services to assist with setting up and administration of a range of financial services including asset protection trusts and international companies.

- **KNOW HOW:** Highly skilled local team with over 25 years' experience

## Compliance and Quality.

---

The Cook Islands is committed to meeting its global and international compliance requirements. This is evidenced by the recent signing up to the CRS and FATCA filing regimes and the 13 TIEA's entered into by the country.
